

2nd Announcement

Dear colleagues,

On behalf of the National Institute for Lasers, Plasma and Radiation Physics (INFLPR), the OSA and SPIE Student Chapters, as well as of the EPS Young Minds Section of INFLPR, and Apol Laser SRL we are pleased to invite you to Alba Iulia, Romania, to attend **Joint ISCP & INDLAS 2018 Conference**, held between 3-7 September 2018.

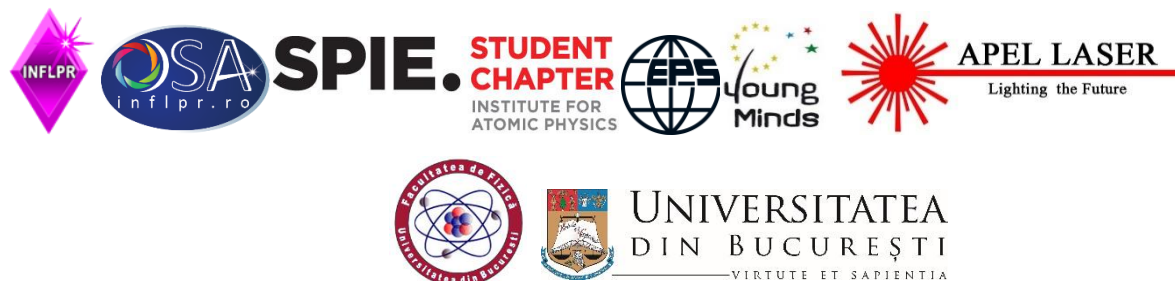

The International Student Conference on Photonics – ISCP 2018, currently at its 7th edition, is organised by INFLPR, The International Society for Optics and Photonics (SPIE), The Optical Society (OSA), the Young Minds Project of the European Physical Society (EPS). Our aim is to bring together MSc and PhD students, as well as postdoctoral fellows carrying out research in the field of optics and photonics in Romania and the world, thus providing the environment required for sharing and promoting their scientific results and exchanging ideas whilst facilitating networking with their peers, young and senior scientists. We scheduled student technical talks and poster presentations, lectures of distinguished invited speakers as well as social activities.

The Conference Modern Laser Applications – INDLAS 2018 is the 5th edition of an international scientific event dedicated to the modern applications of lasers and related aspects, held in Romania. The purpose of this Conference is to provide a good opportunity for experts working in the laser applications field and lasers to share experience, to discuss the latest results, to stimulate interdisciplinary exchanges and to consider the prospects of new applications.

Joint ISCP & INDLAS Conference includes a broad variety of topics, such as:

- Lasers and Ultrafast Phenomena
- Optics, Photonics, and Optoelectronics
- Micro- and Nanotechnologies
- Advanced Materials and Thin Films
- Lasers in Life Sciences
- Plasma Physics and Applications
- Lasers in materials science and processing
- ELI NP related research and activities
- Laser Metrology and Testing
- Lasers in Environment and Life Sciences
- Industrial Applications of Lasers.

BOOK OF ABSTRACTS

A Book of Abstracts of Joint ISCP & INDLAS 2018 Conference will be published. Two basic types of presentations are accepted, with the observation that one attendee may contribute with both, oral and poster presentations. Authors are kindly requested to submit one page abstract until the 15th of June 2018,

by using the template provided on the official website <http://iscp-indlas.inflpr.ro/registration/>. The abstract(s) should be sent to iscp-indlas@inflpr.ro.

The time allowed for different talks is expected to be:

- Plenary Lecture (60 min, including discussions) • Invited Lecture (25 min + 5 min discussions)
- Oral Presentation (12 min + 3 min discussions) • Poster Session (60-120 min)

ACCOMMODATION

Joint ISCP & INDLAS 2018 will be hosted at Hotel Parc, <http://www.hotelparc.ro/>, Alba Iulia, Romania. Conference attendees get a special deal at Hotel Parc. Accommodation prices for different room-types are as follows:

- 250 lei/night – Single 3* Superior • 240 lei/night – Double Standard • 270 lei/night – Double Superior • 360 lei/night – Apartment 3* Standard • 440 lei/night – Apartment 3* Superior.

How to get to the venue?

Participants are requested to book their flights to Bucharest Henri Coandă International Airport. Situated 16.5 km North of Bucharest center, Henri Coandă International Airport is the largest Romanian airport, serving 67 external and 9 domestic destinations.

Once arrived to the airport, attendees will be picked up and transported directly to the conference venue. Both international and national attendees will benefit of transit services.

(Please opt in the Registration Form whether you require or not transport to the venue!) The journey will take approximately 5 hours. The landscape on the way is magnificent, so the kilometers/miles shouldn't discourage you!
