CONFERENCE TOPICS

- Natural Radiation Sources, Geological Survey.
- Radiation Sources at Nuclear and Radiation Facilities.
- Safety and Security of Nuclear and Radiation Sources.
- Radiation Effects, Radiation Shielding.
- Individual Radiation Exposure, Radiation Measurements.
- Application of Radiation Physics in Industry, Medicine, Agriculture and Food Preservation
- Transport of Nuclear and Radioactive Materials,
- Managements of Nuclear and Radioactive material.
- Sources and Protection against Non ionizing Radiation.

CALL FOR PAPERS & PUBLICATIONS

Abstract of no more than 250 words on A4 paper should be sent via e mail by 15 May 2008. The manuscript should be received via e mail by 15 September 2008.

The full paper must be submitted via Internet according to instructions to authors (see Web Site) and should be received by 15 September 2008

Conference Proceedings shall be published in Arab J. of Nuclear Sciences & Applications

CORRESPONDANCE

All correspondence should be via Internet to

REGISTRATION

Registration fees include participation in conference, Conference proceedings and social events including Nile Cruise and touristic visits.

For Non Egyptians

Registration fees are payable cash or by cheques to Egyptian Atomic Energy Authority, Scientific Research Fund, 9th Radiation Physics Conference, Cairo, Egypt. (National Bank of Egypt Capital branch Garden City Account No. 1100815002 for foreign currency) **Registration fees Before 15 September Euro 500 and After 15 September Euro 650**

For Egyptians

Registration fees for Egyptians are payable in Egyptian Pounds Cash or by cheques to Egyptian Atomic Energy Authority, to Atomic Energy Authority, Scientific Research Fund, 9th Radiation Physics Conference. **Registration fees Before 15 September LE 1000 and After 15 September LE 1300**

- 20% reduction of registration fees for cancellations till 1st Nov.2008 No refund after this date

Industrial Exhibition and Advertising

An exhibit of equipment used for radiation physics will be organized for local and international companies at the conferences site. Companies specialized in equipment of use of radiation in medicine, industry, foodstuff preservation, geological survey, electricity production are welcome to apply for an exhibition booth, or for an advertising space in the conference booklet distributed to all the participants.

Radiation Physics Conference Awards

The Scientific Secretary of the IX-Radiation Physics and Protection Conference are pleased to inform juniors scientists that

- **Middle Eastern Regional Centre Radioisotope Center for The Arab Countries (MERRCAC)**
 - **National Network of Radiation Physics (NNRP)**
- are offering radiation physics and protection awards for junior scientists from Egyptian Universities and research centers and abroad, Junior scientists are requested to submit their contributions through their supervisor before 15th September 2008 to

Prof M A Gomaa

The Conference Scientific Secretary

rpcp_9@yahoo.com

The awards shall be given in all topics of the conference according to :

- Scientific quality
- Good presentation
